

CAPABILITY STATEMENT

COMPANY SUMMARY

Jamtek Electrical, LLC, is Georgia's first choice for Low Voltage, security, and IT/network solutions. We pride ourselves on our integrity. Our mission is to deliver the most comprehensive **structured cabling, fire alarm, burglar alarm, CCTV, access control, VOIP and IT/network solutions** for customers in a broad range of industry sectors. Our highly trained staff continuously trains to stay ahead of new technology in hardware and software systems, regardless of their size, complexity, or system manufacturer. We are committed to exceeding our customers' expectations.
